you are cordially invited to a presentation on:

## **Contemporary Anti-Semitism in an Age of Global Threats**

The fallout from Durban 2, the dangers of Iran,  
anti-Israel versus anti-Semitism, and how to respond.

**With Professor Charles Small**

Professor Charles A. Small is the Director of the Yale Initiative for the Interdisciplinary Study of Anti-Semitism. This is the first and only center housed at a North American University and dedicated to cutting edge, scholarly research into the origins and manifestations of Anti-Semitism. Professor Small was an active participant at Durban 2 in Geneva, Switzerland.

Professor Small spoke out against the Anti-Israel propaganda at the Conference. This is an opportunity to hear first-hand an account about what happened at Durban 2 and how we can combat Anti-Semitism and Anti-Israel slurs in our community.

**Monday, June 22, 2009
